

The Annual General Meeting 2010

This was held at the Hotel Palmeras Playa on March 18th 2010 and some fifty members attended.

The President, Helen Jamieson, welcomed everyone and said that she was prepared to carry on for at least another year, thanking her committee. She explained several future aims and introduced Carmen Borges who had, together with Tony Stanley, been co-opted onto the committee after the resignations of Susan Dickinson, Martine Bravo and Thelma Bravo, who were thanked by the members for all their hard work.

The Committee was re-elected as nobody else had been proposed. The post of Social Secretary is at the moment being shared between the members of the committee until the situation settles down.

Thanks were expressed to Mary Love Donaldson who audited the accounts.
